95 MDL Docket No. 1033

ORDER

Pursuant to a settlement agreement between the plaintiffs and Ticketmaster, the Court entered a final order approving the agreement June 11, 2001. A portion of that order provided that "Without affecting the finality of this judgment, the Court retains jurisdiction of this matter to confirm an arbitration award relating to attorneys fees contemplated by the settlement agreement."

On May 14, 2002, plaintiffs requested a status conference hearing regarding attorneys fees. There has been no response to that motion.

IT IS THEREFORE ORDERED that plaintiffs and Ticketmaster report to the Court, in writing, on or before July 5, 2002 the status of the arbitration award relating to attorneys fees contemplated by the settlement agreement.

Dated this 25th day of June, 2002.
